DEAR DR. WEISBERG,

SORRY FOR NOT RESPONDING SOONER TO YOUR REQUEST TO CONTACT STEVE BORDELON BUT HE WAS HARD TO TRACK DOWN. MR. BORDELON'S address is below but let me Tell you what I HAD TO DO TO FIND him. you are correct, he is retired from the NOPD AND his Telephone is NOT LISTED. I CONTACTED NOPD MIKE Kilbride - a FRIEND of MINE - WHO found out from the pension board his CORRECT ADDRESS. HE even found out that MR. BORDELON NOW works for the Orleans Parish Coroner's office. HE went to see him and explained who I WAS AND why I wanted his address. HE TOLD MIKE he would ANSWER your questions if you WROTE him but GENERALLY he THINKS ASSASSINATION RESEARCHERS ARE full of "SHIT"! LOU IVON became a successful STATE representative IN LA but lost IN his reelection bid This year. I DO NOT KNOW The other person you mentioned in your letter. I AM SORRY THAT I CANNOT ATTEND The Conference IN WASHINGTON This year where I see you are going TO be a presenter. My FINANCES ARE RATHER LIMITED AT This time but hope TO finally meet you in the near future AT ONE of THESE FUNCTIONS. THE NEXT book of yours THAT I AM ANXIOUS TO READ IS OSWALD IN NEW Orleans. GARRISON HAS ALWAYS FACINATED ME. I USED TO WORK OUT AT The Lee Circle YMCA AND MET him There during The Clay Shaw MESS. HIS STAR WITNESS NOW DRIVES UNITED Cab 225 IN NEW Orleans. ~~PERRY~~ RAYMOND RUSSO WHEN I GET The funds I will place The ORDER FOR OSWALD IN N.O. but $27 = stretches my pocket A little AT This Time.

I have looked for the VCR of Selby's Reasonable Doubt and am not able to find it in my material. Possibly you have a source that I can go to. If you do I would appreciate you providing it for me. Hope you are feeling better. With warmest best wishes -

Sincerely,
Chris
